## MAGICAL SMILES AT LIBRARY

### Abracadabra!

Something magical was afoot this weekend. On March 23, Rob Westcott, an award winning family entertainer, wowed the crowds with a magic show hosted by the Richmond County Public Library and held at the RCC lecture hall.

Prince Charming, top left, hopped from a hat, to the delight of onlookers like Miriam and her parents Courtney and Micheal Sisson, top right.

There were even some scares as Westcott shocked one young lady with a series of scary spiders.
