## Area children are mesmerized by magic

BY AMANDA CHISHOLM

Dozens of children and their guardians were mesmerized by the quick slight of hand illusions of the high energy magic speed show performed by Magic of Speed.

The magician is a full time professional magician who has performed over 4,000 live shows spread out among three countries over the course of his 22-year career.

Tricks included bringing a balloon animal back to life and "hypnotizing" the audience using a large black and white spiral spinner, and pumping water out of one young volunteer's elbow.

The July 26 magic show was arranged by the

Richmond County Public Library in association with Richmond County Public Schools, which approved the use of the Richmond County Elementary School gymnasium for the show.

A busload of children from the local Richmond County YMCA took part in the fun.

The Magic of Speed's mission statement is "To provide you with top quality magical entertainment to help make your event a 100 percent success."
